

Nachystáme si potrebné veci

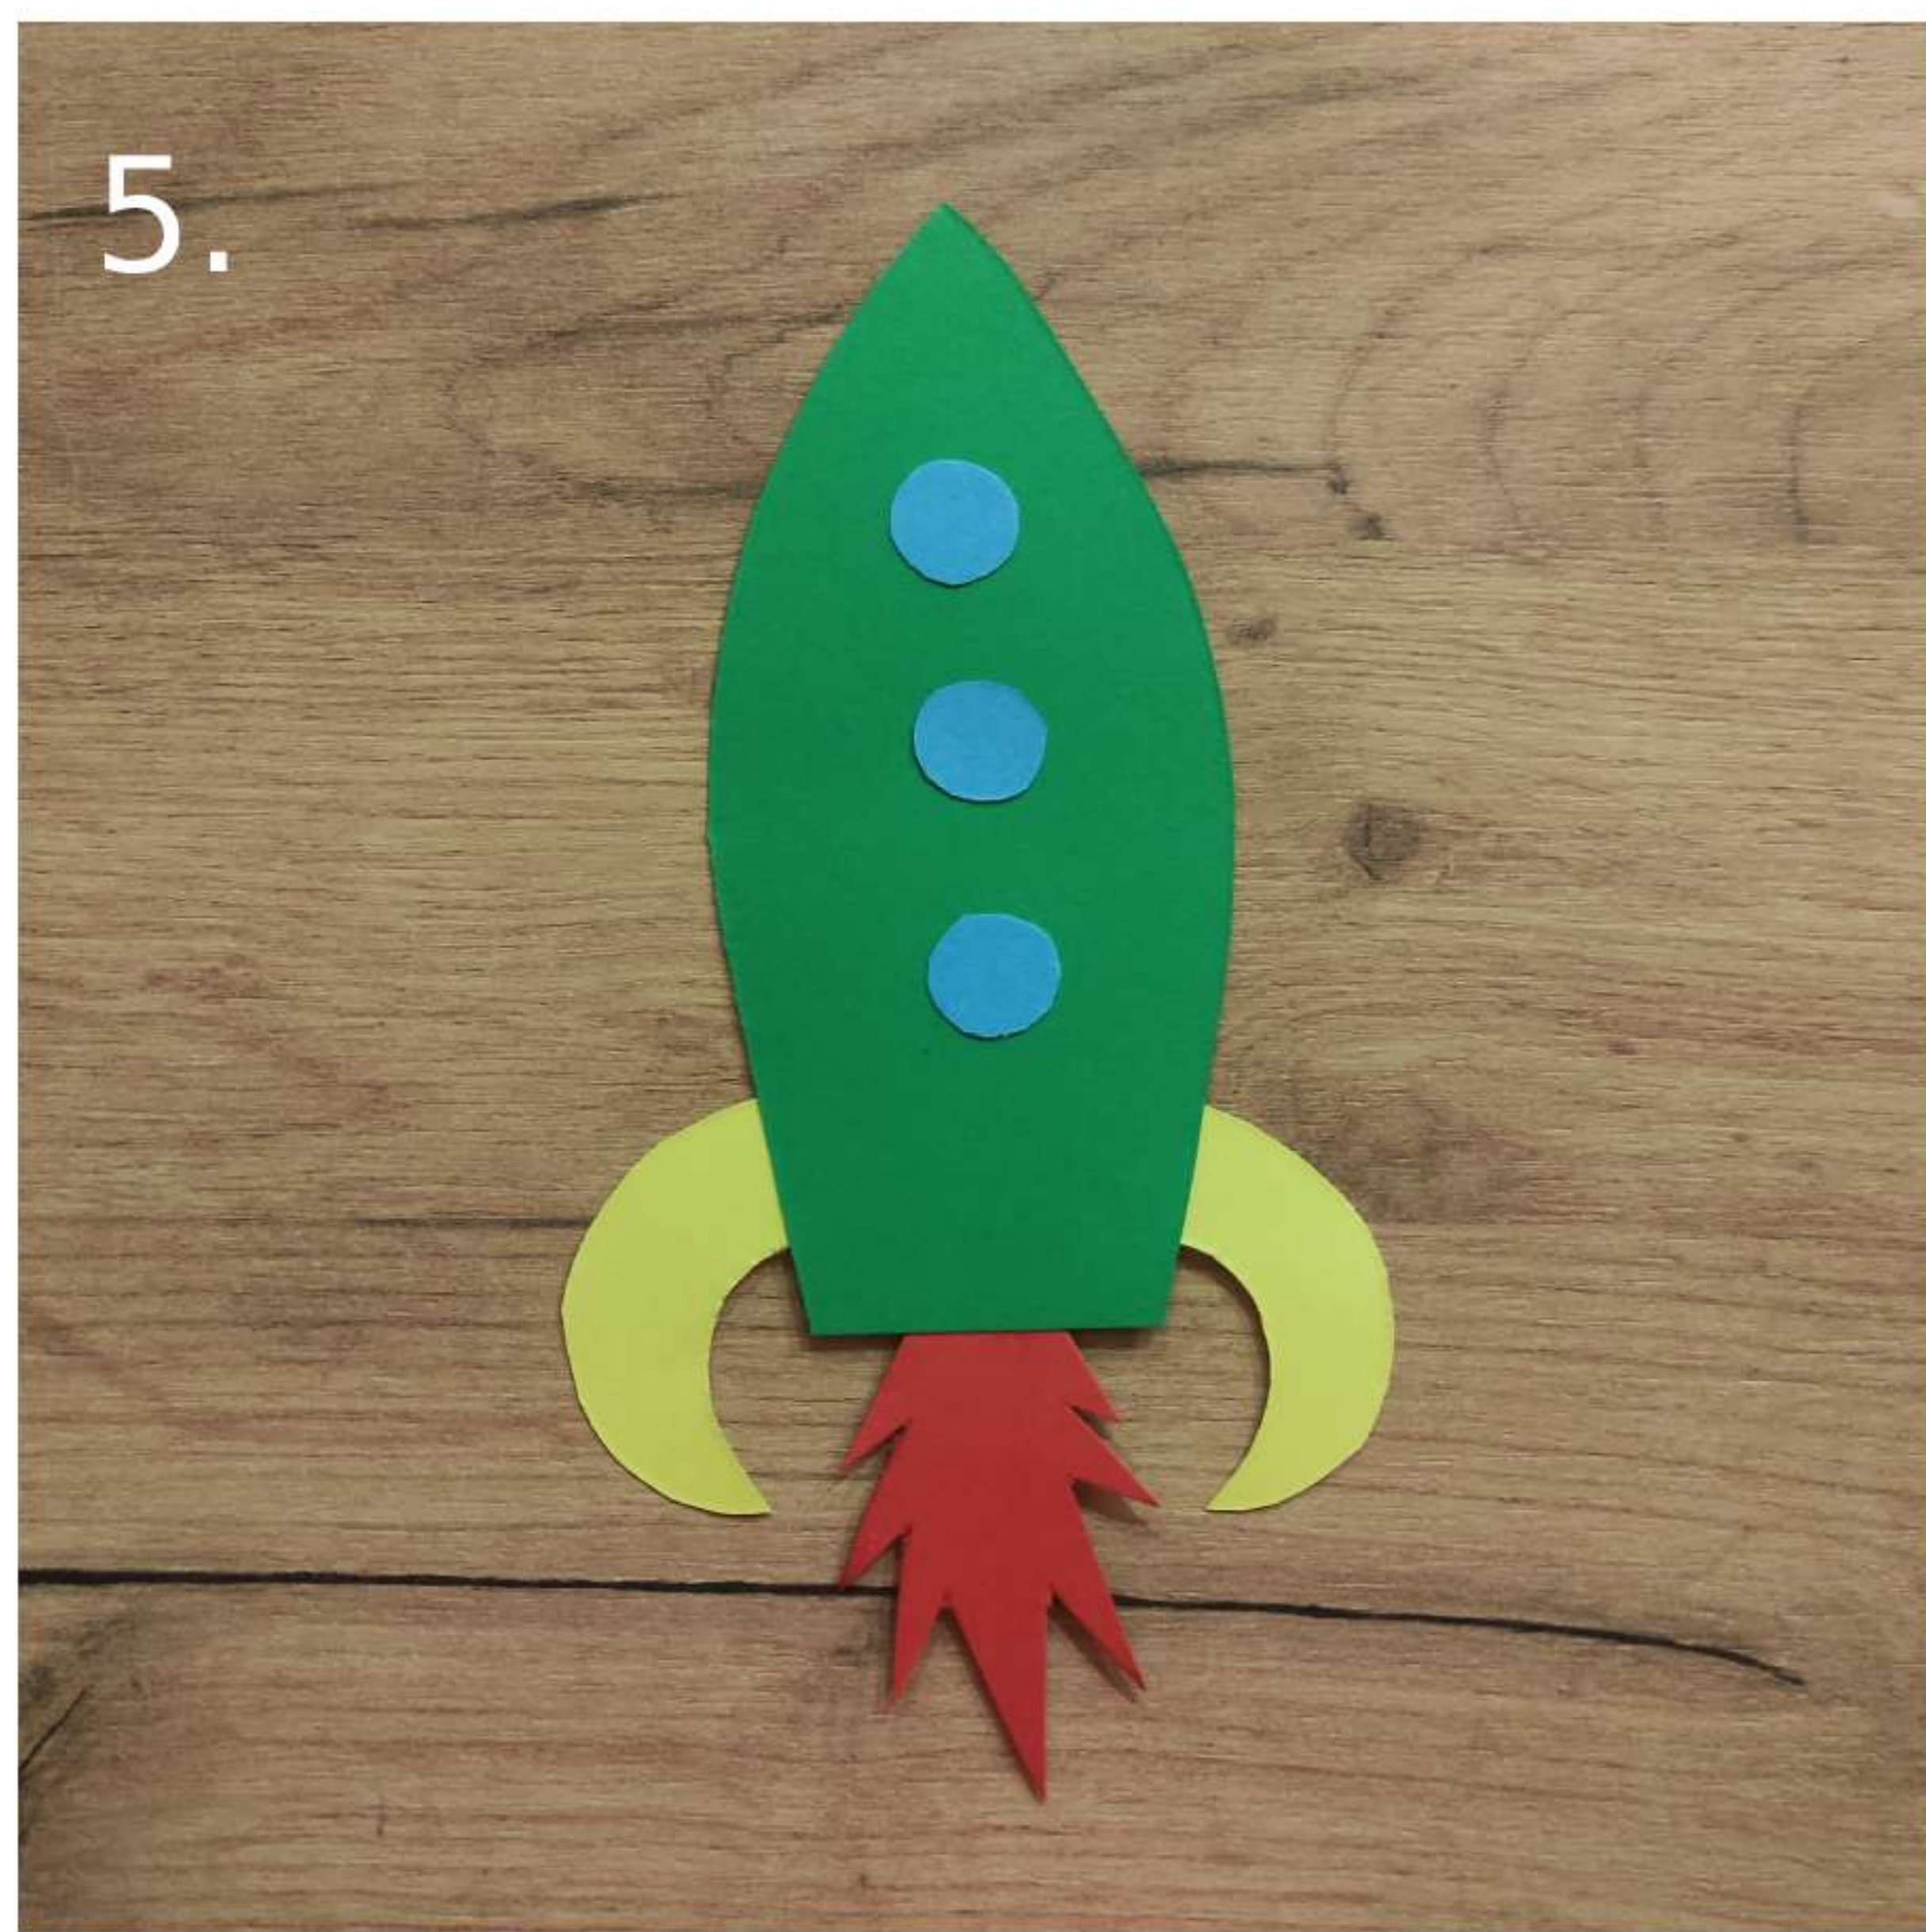

Začneme telom rakety

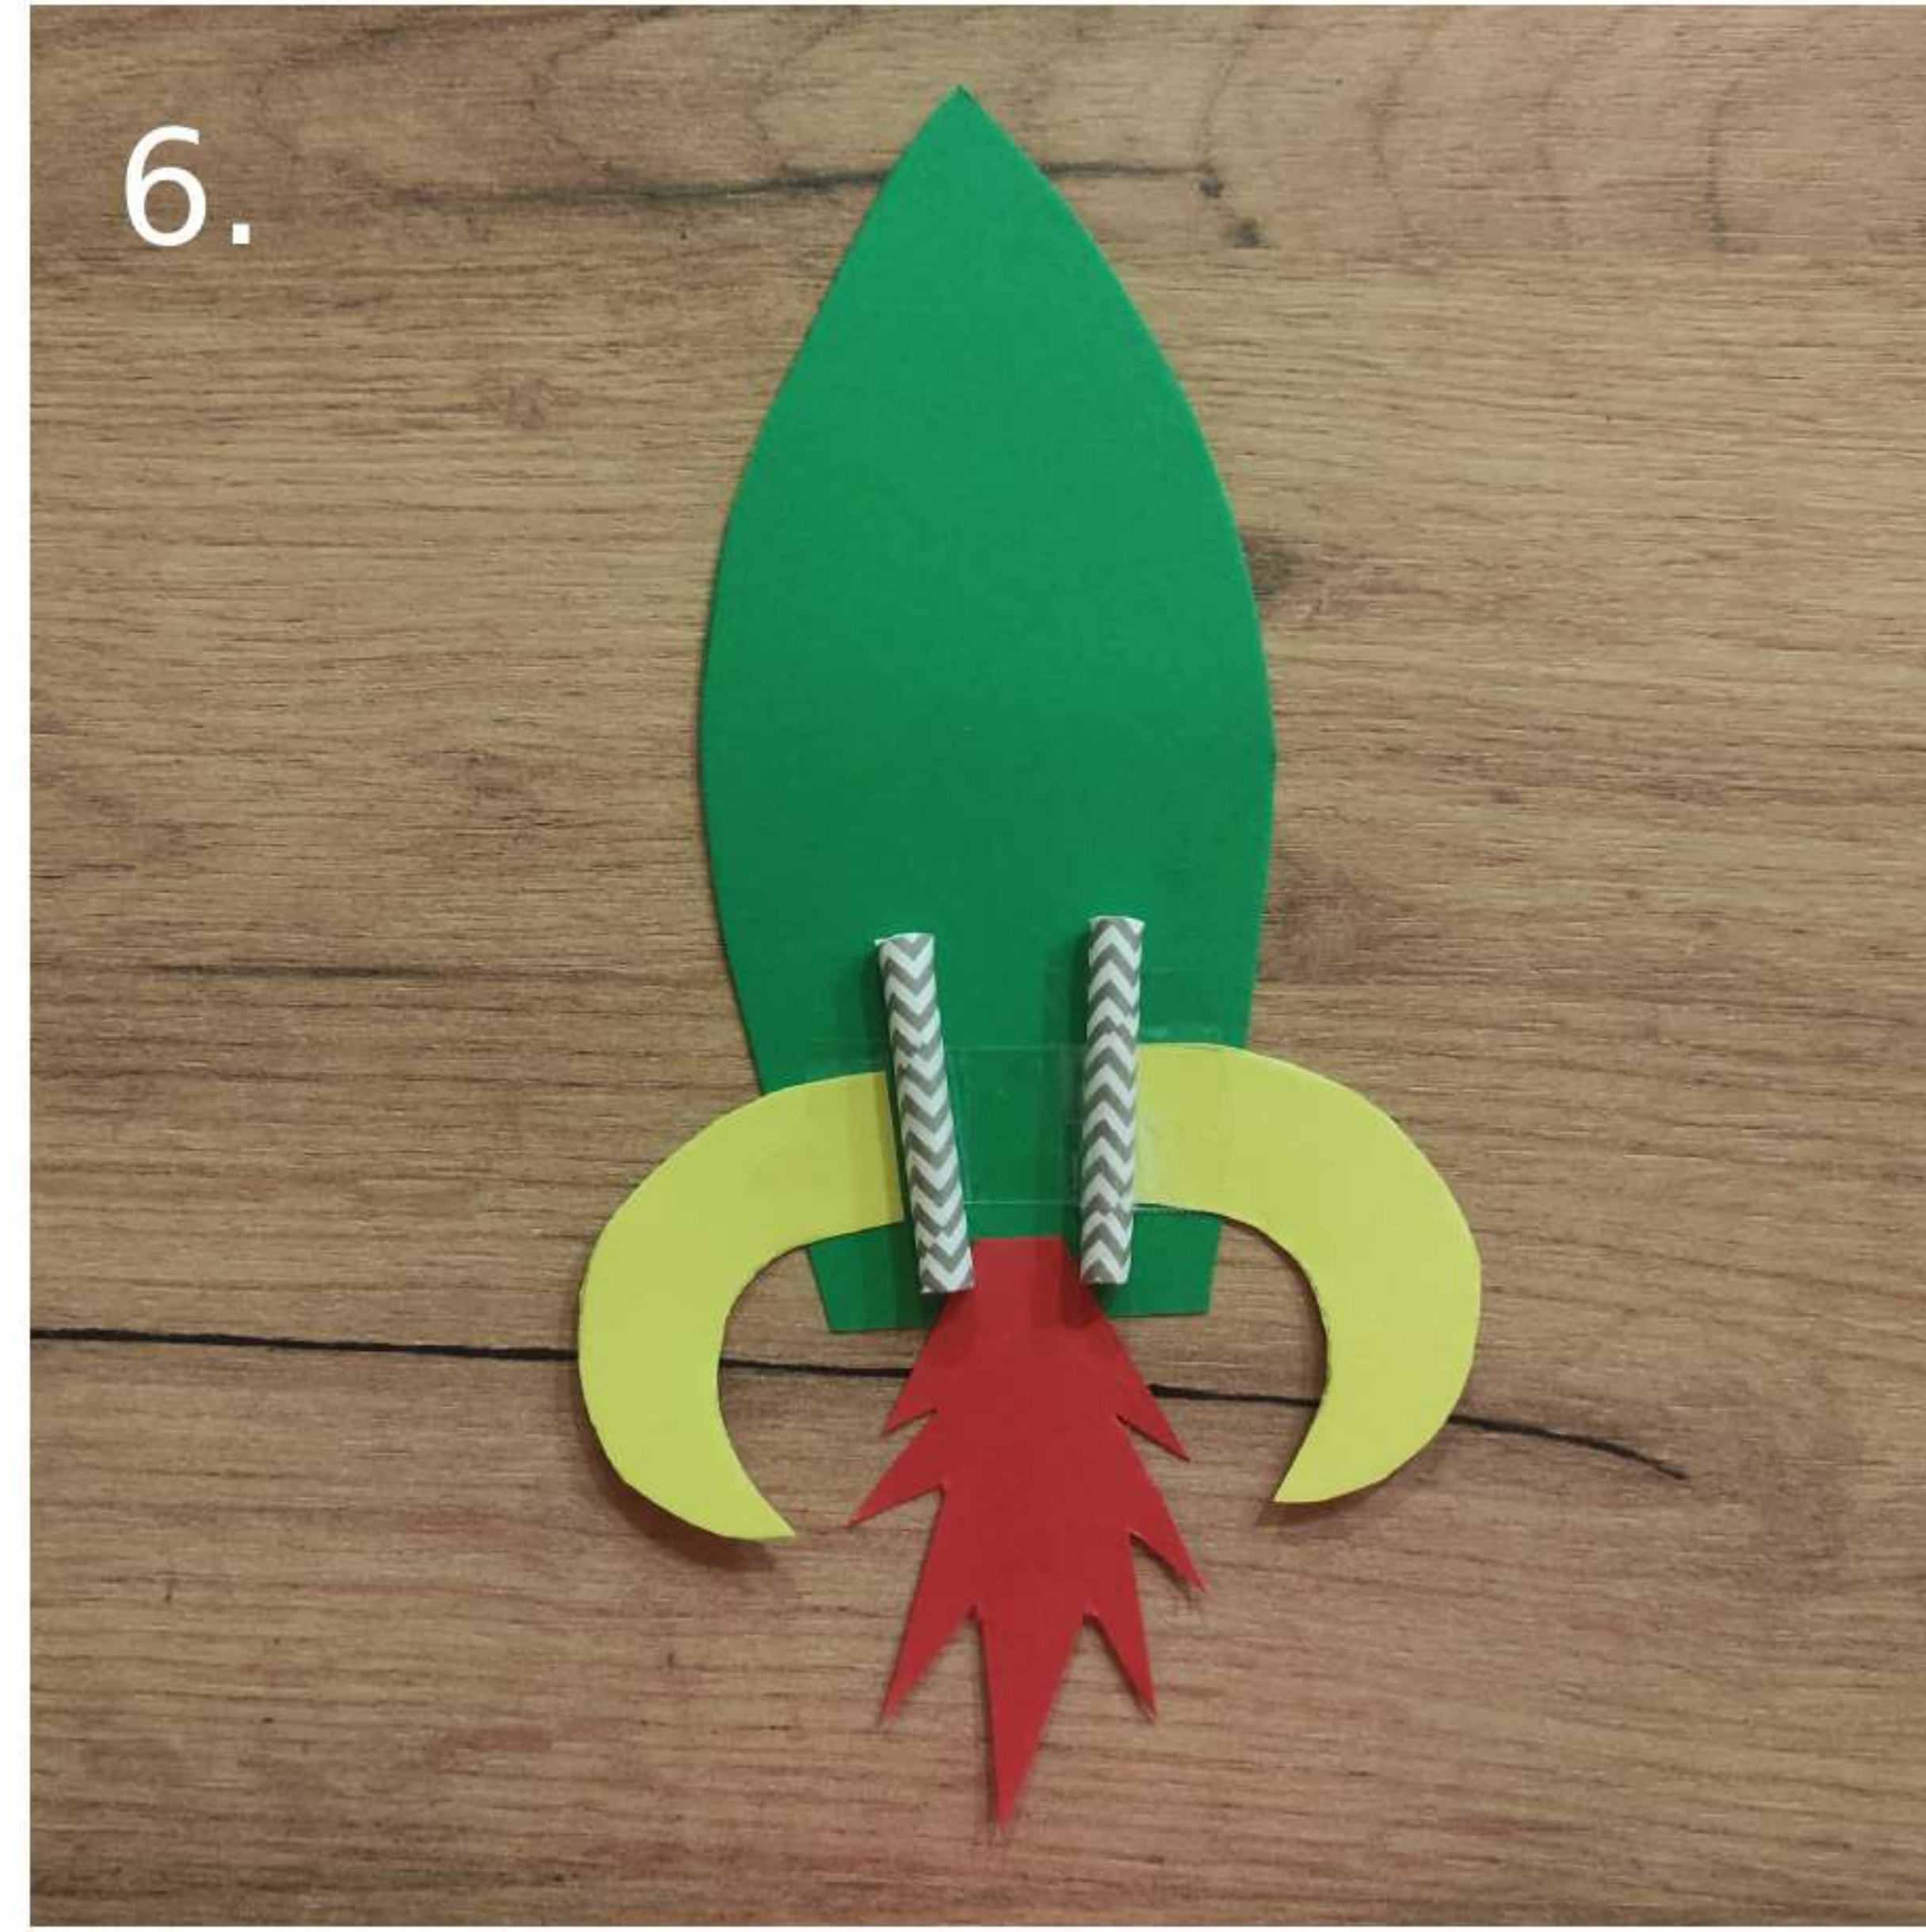

Prilepíme "nohy" rakety,...

...plameň,...

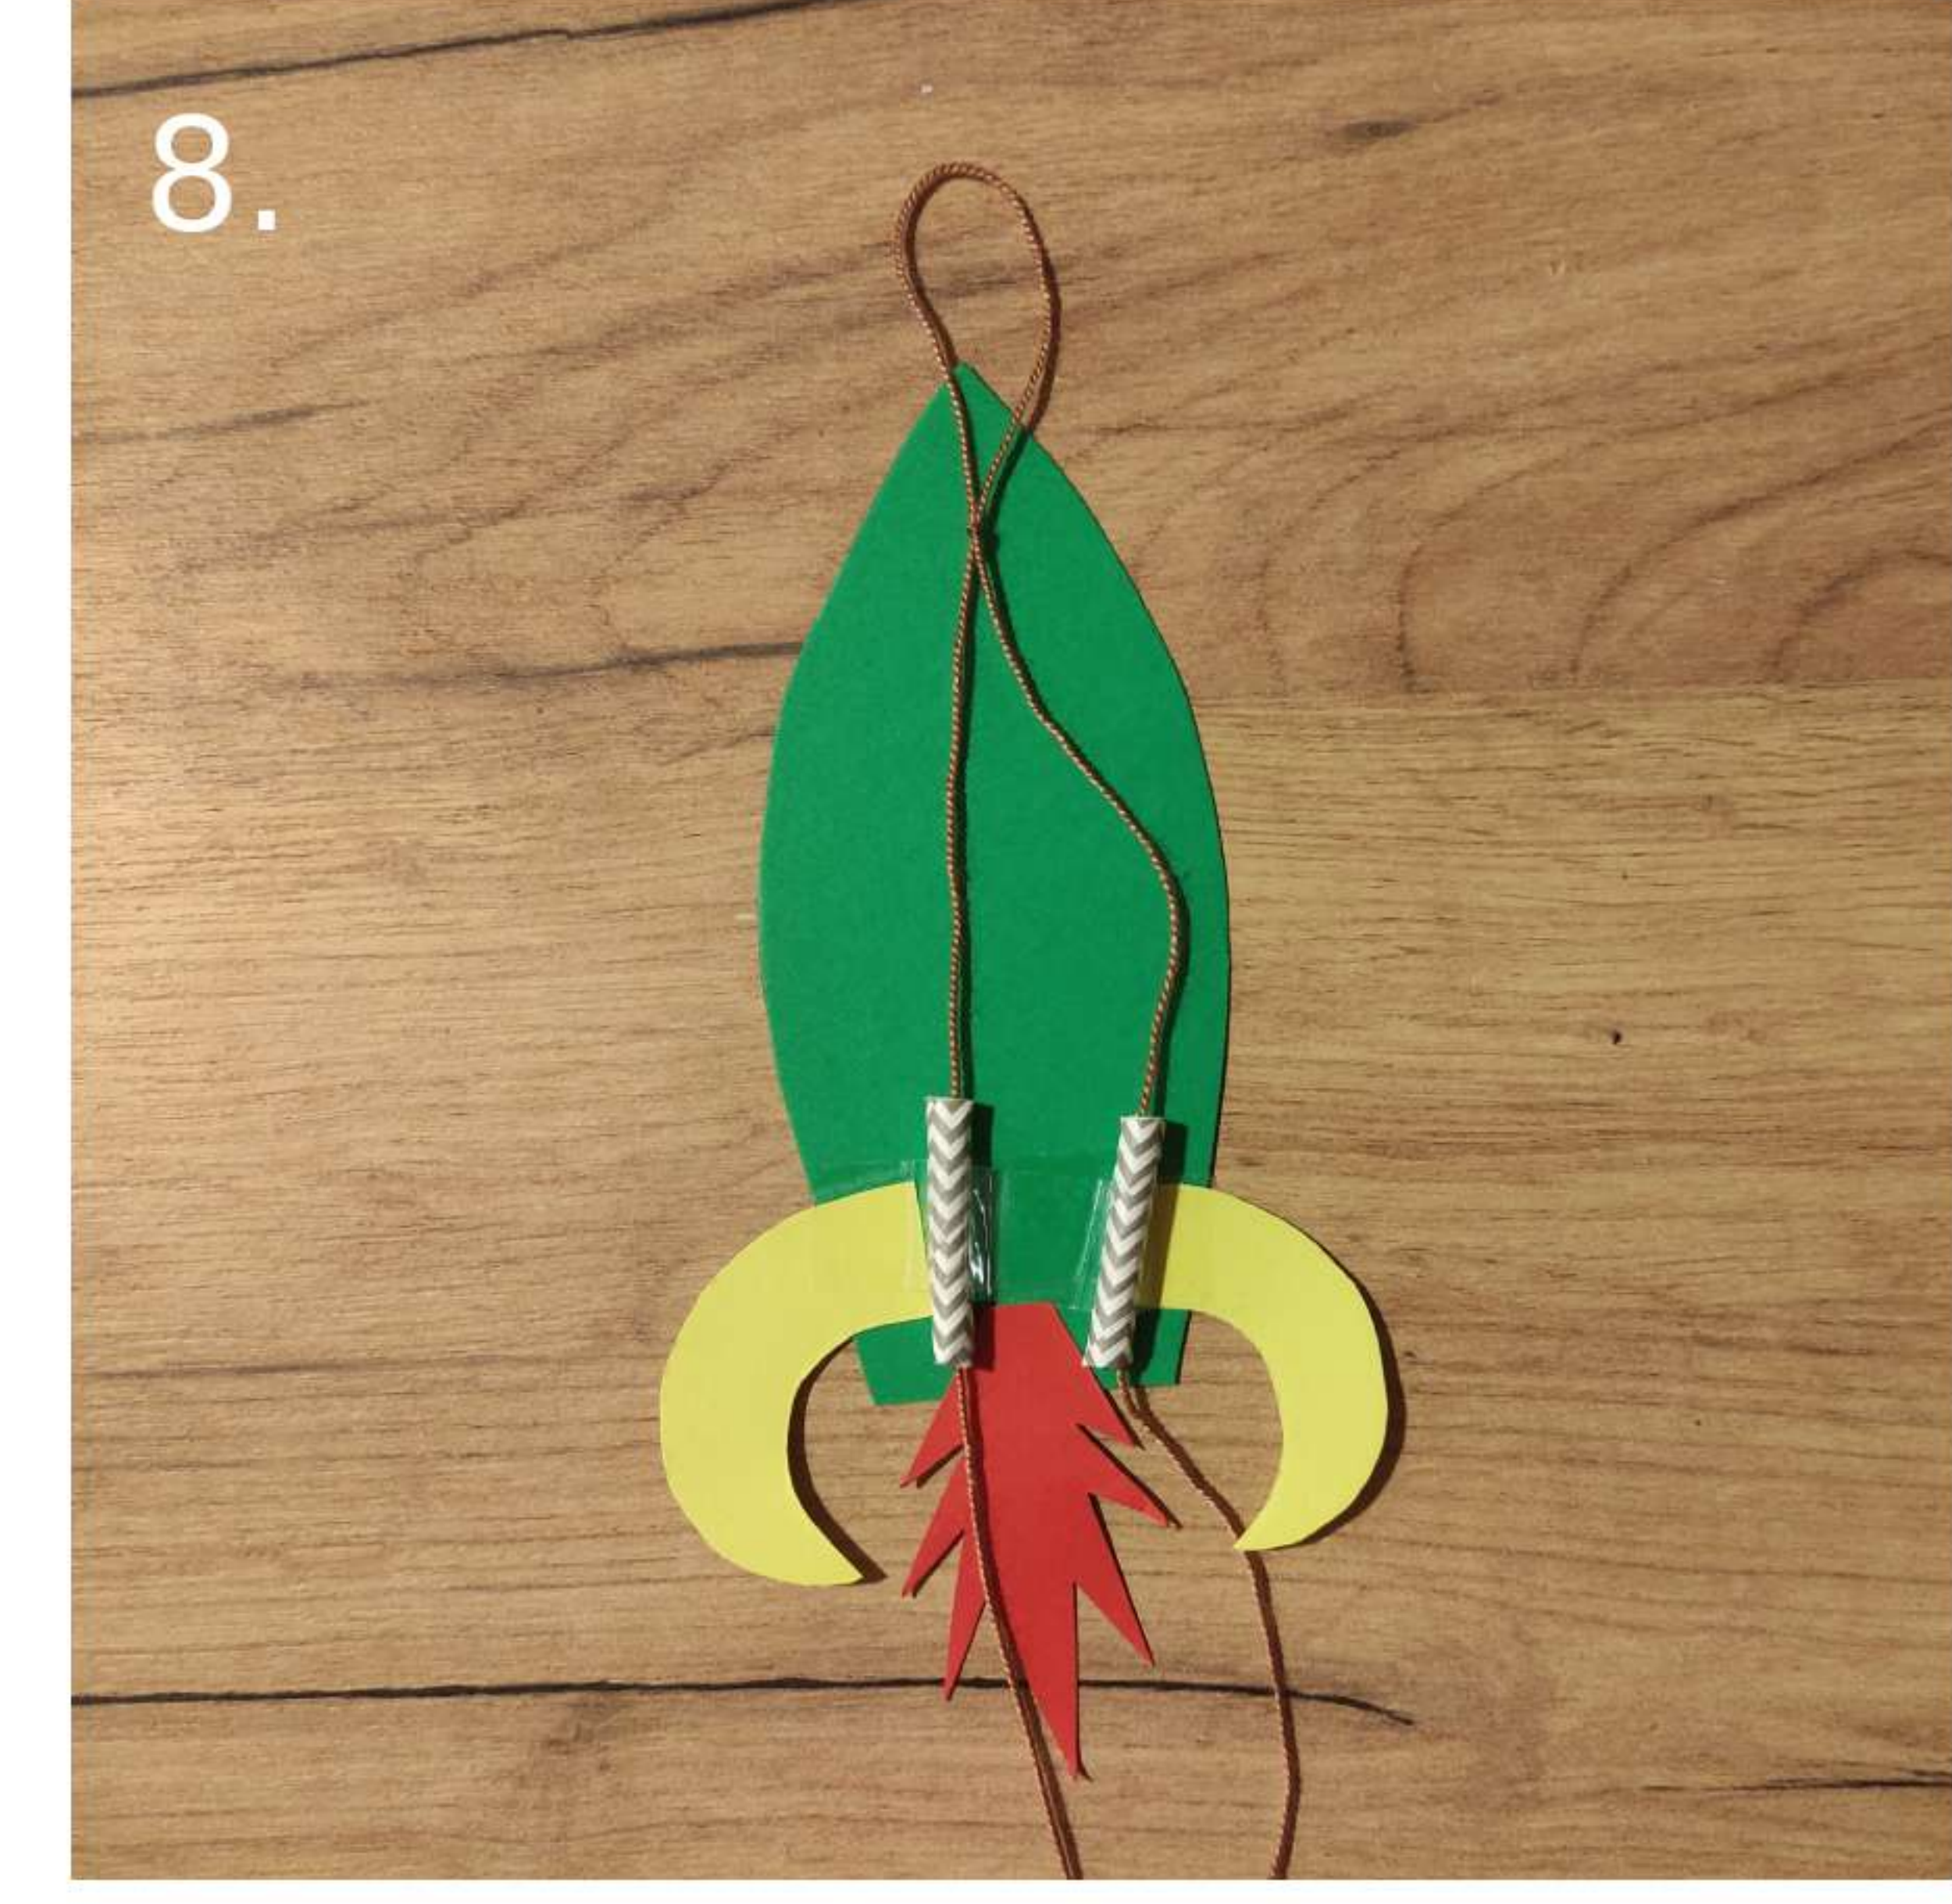

...a z opačnej strany okná

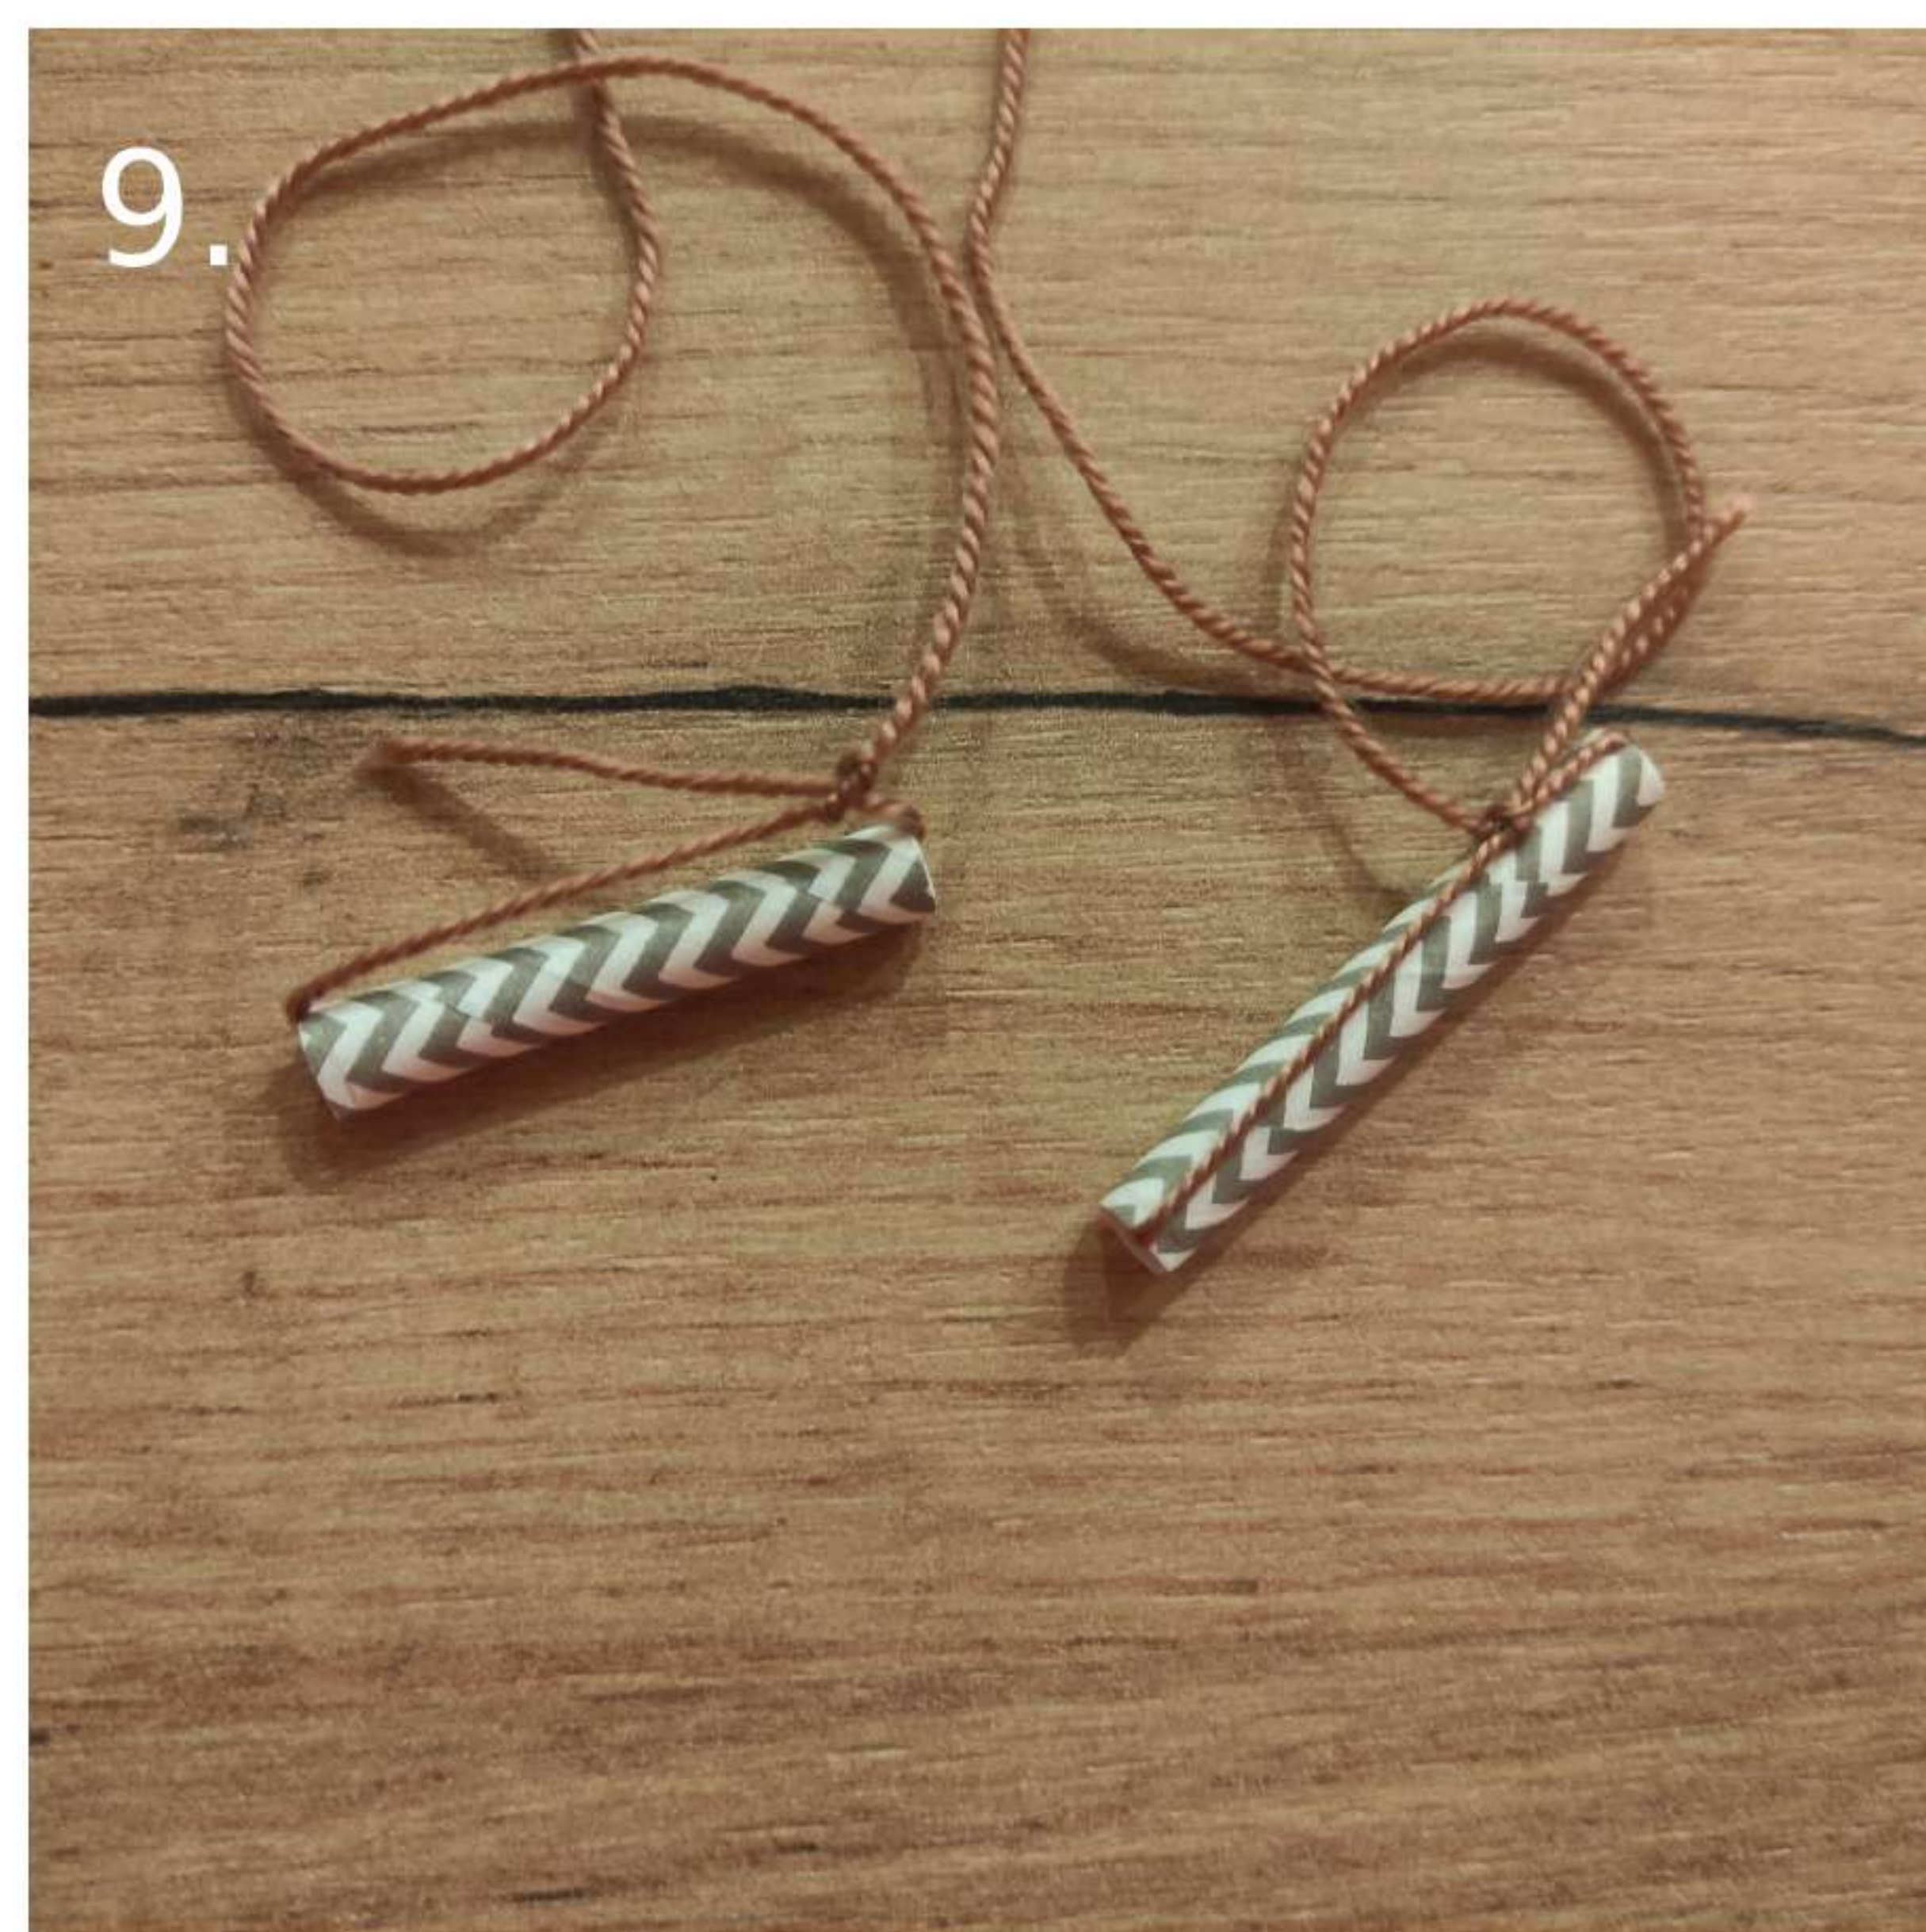

Na zadnú stranu prilepíme 2
odstrihnuté kúsky slamky

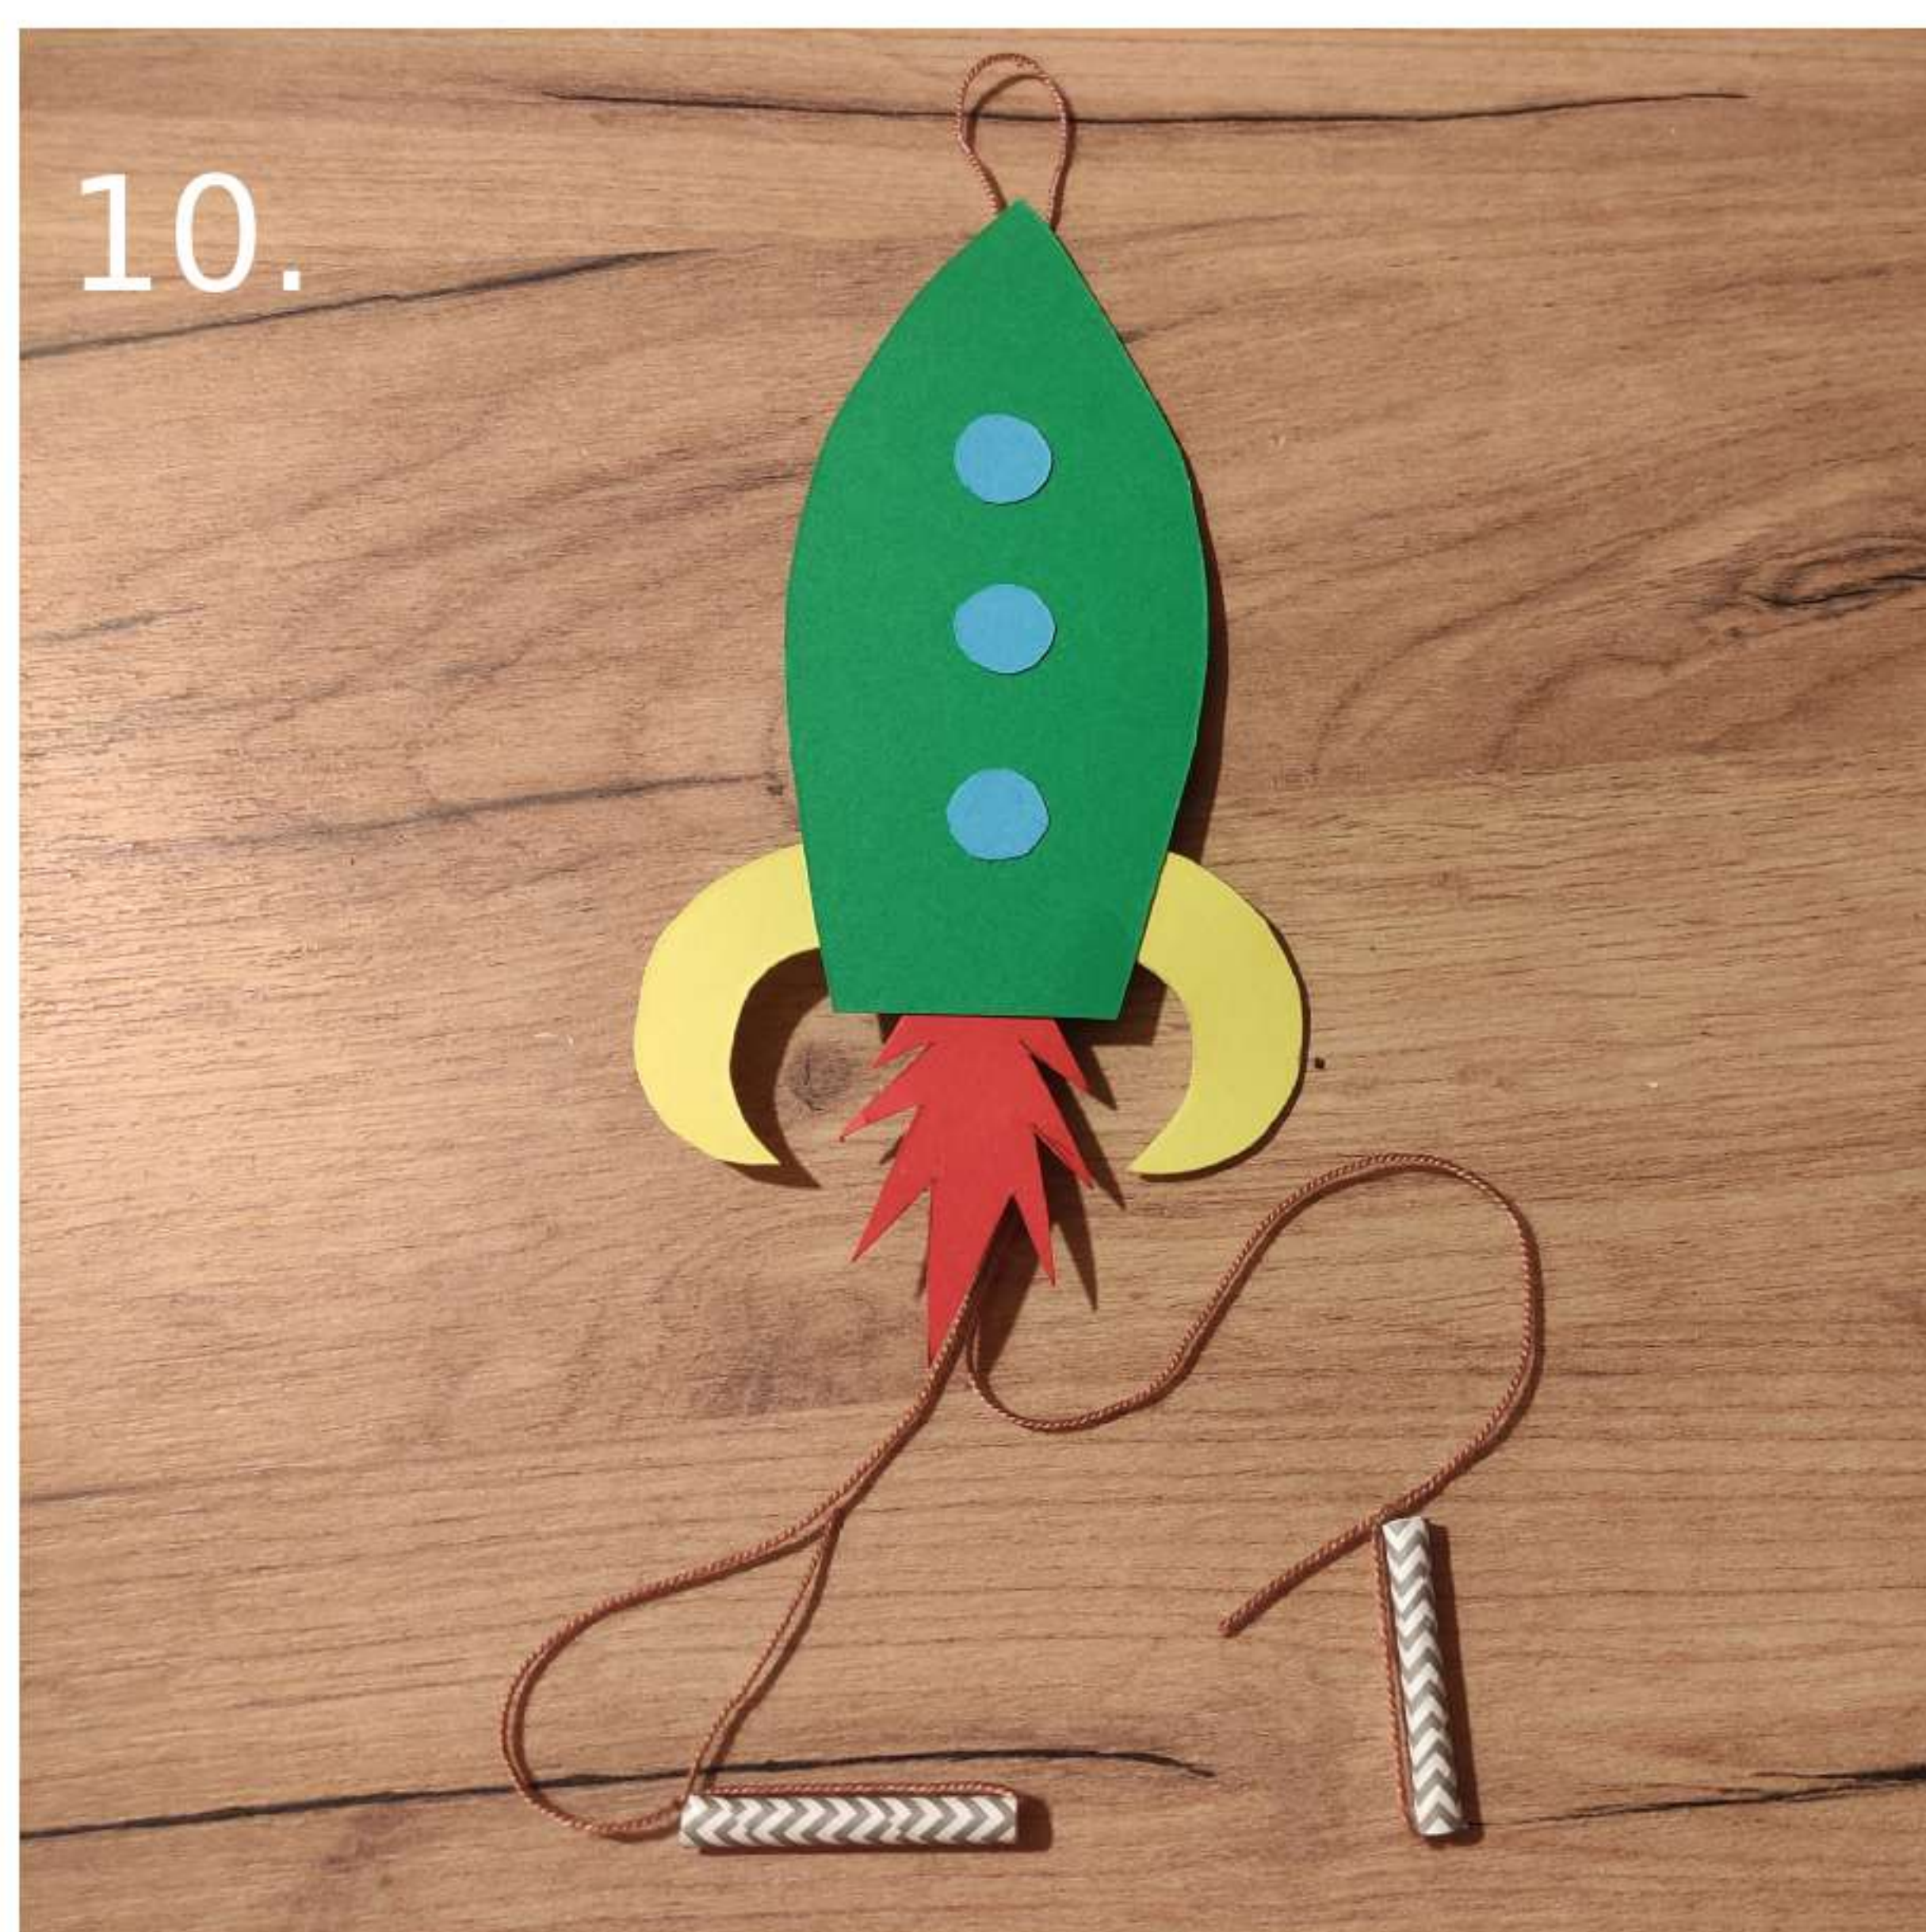

Dlhší kus šnúrký preložíme na
polovicu a utvoríme slučku ako na
obrázku

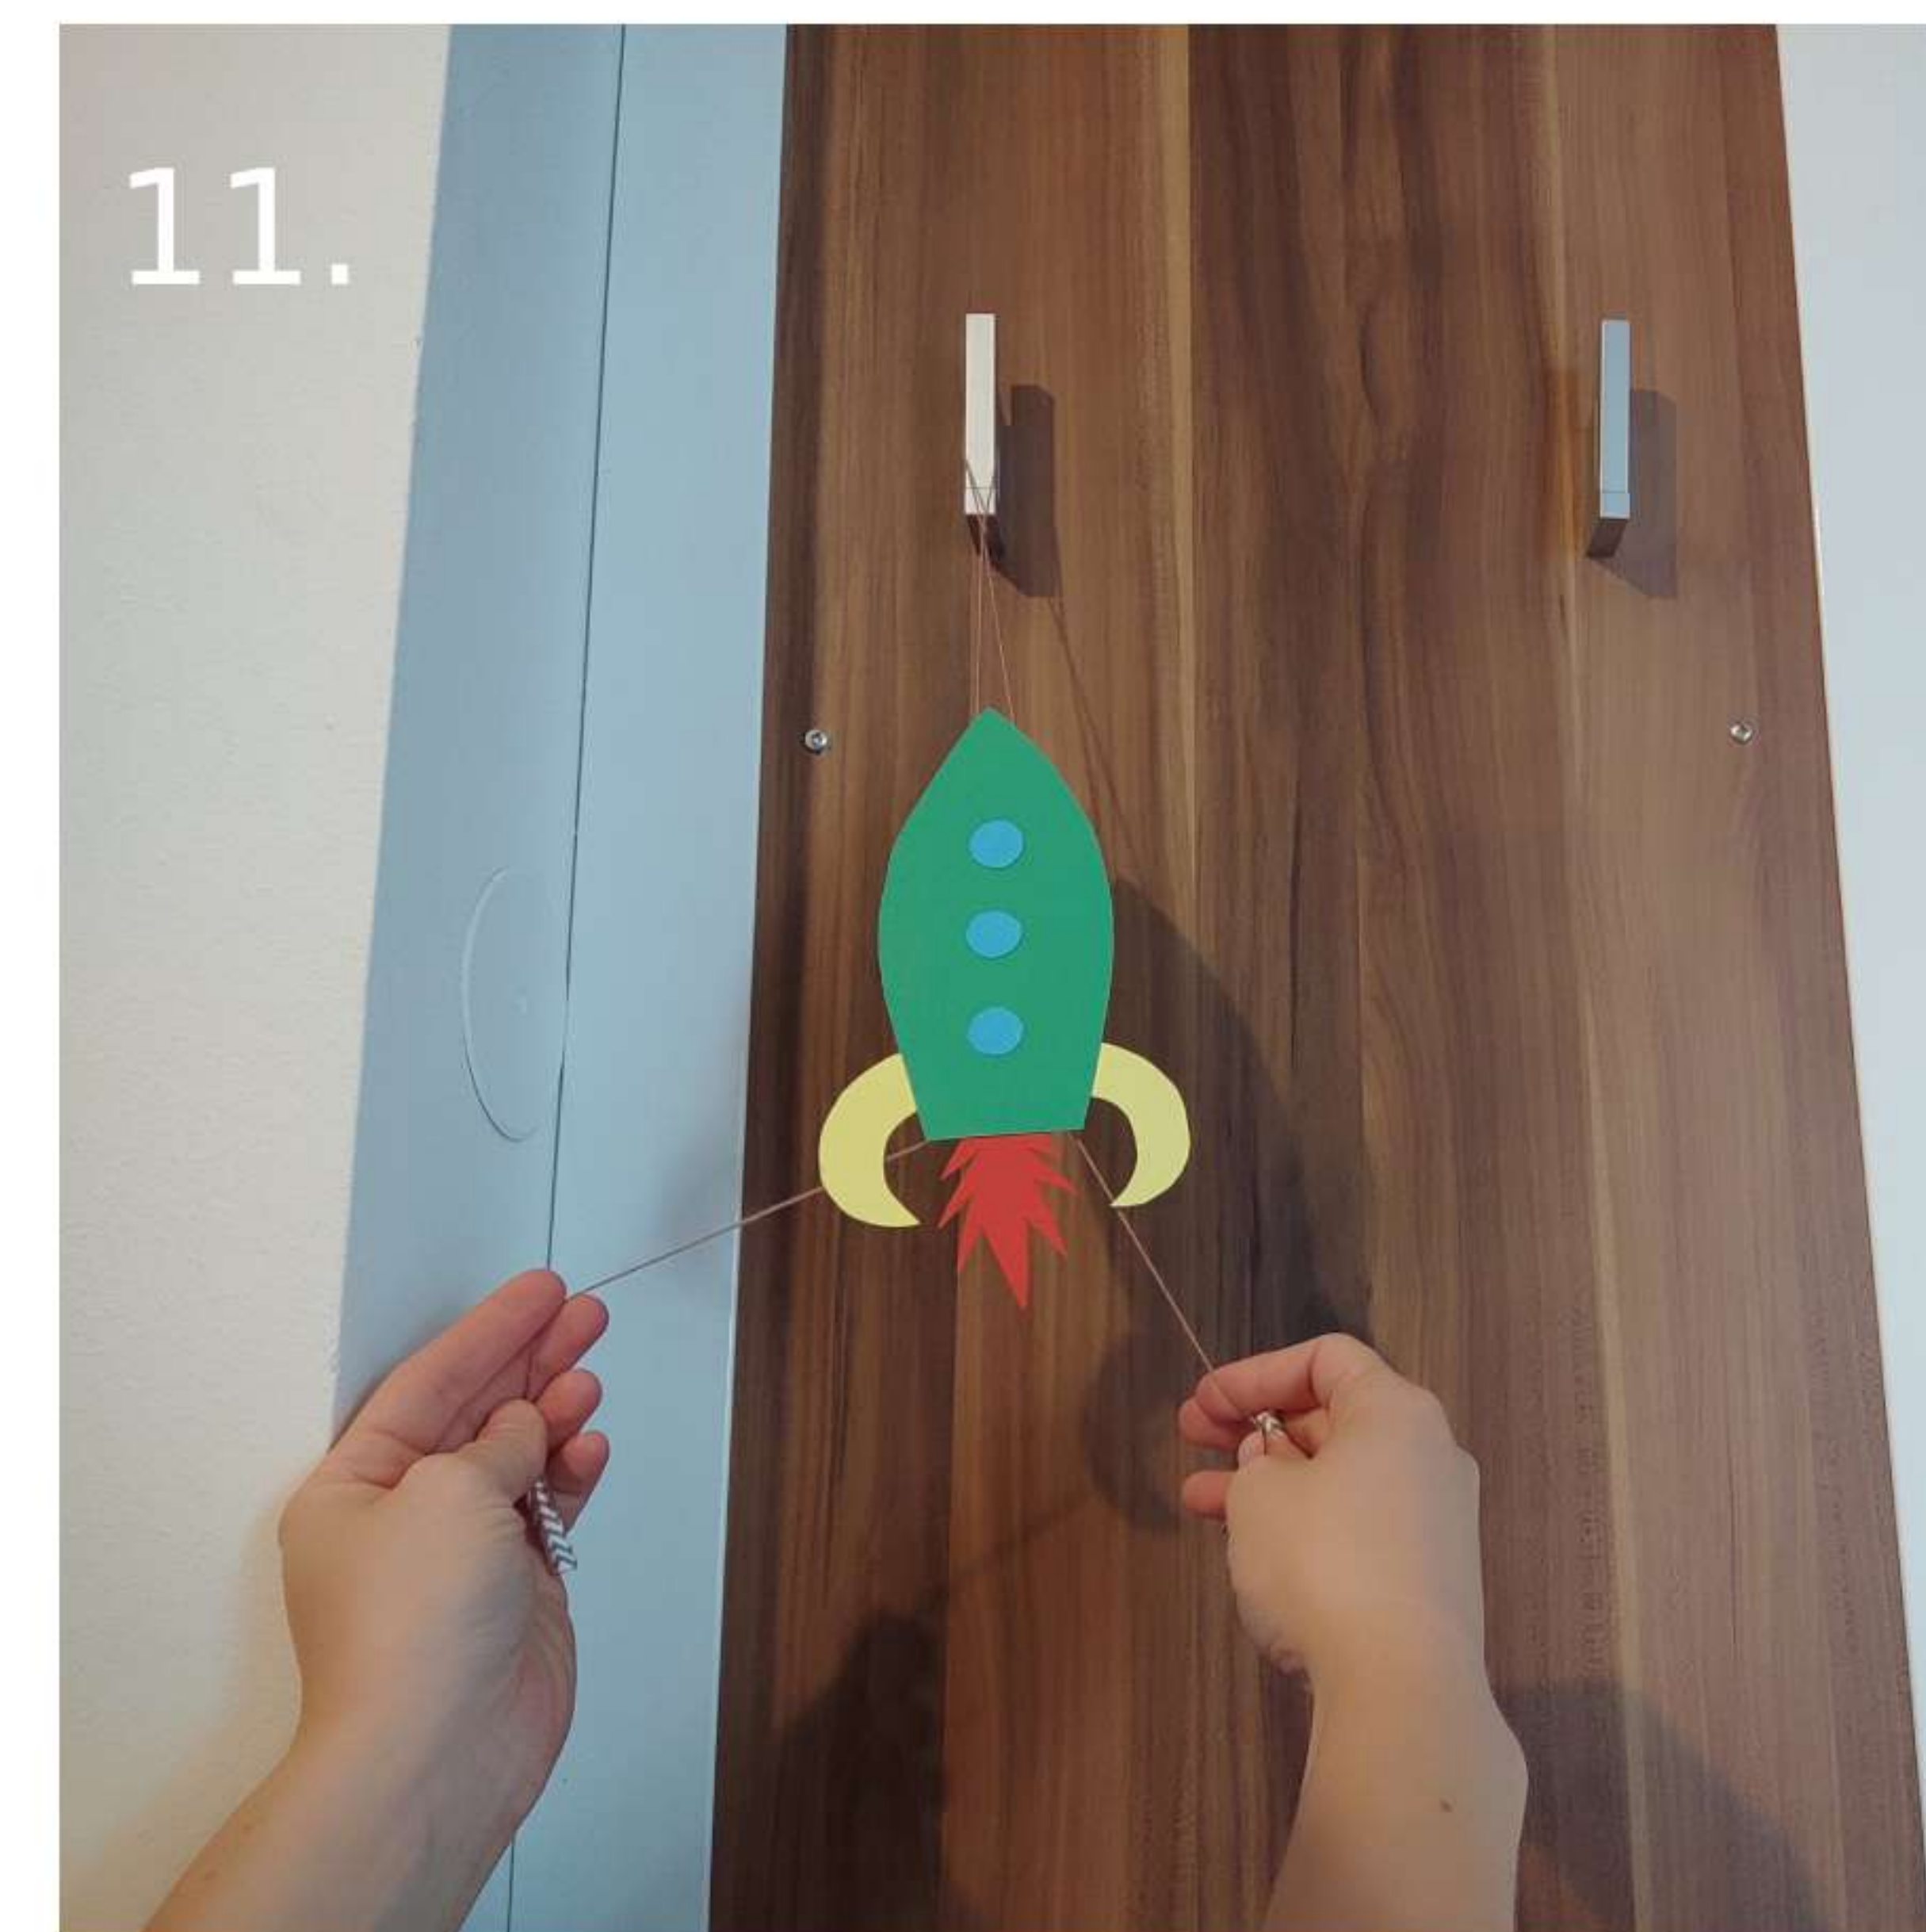

Konce šnúrký prevlečieme cez
prilepené kúsky slamky

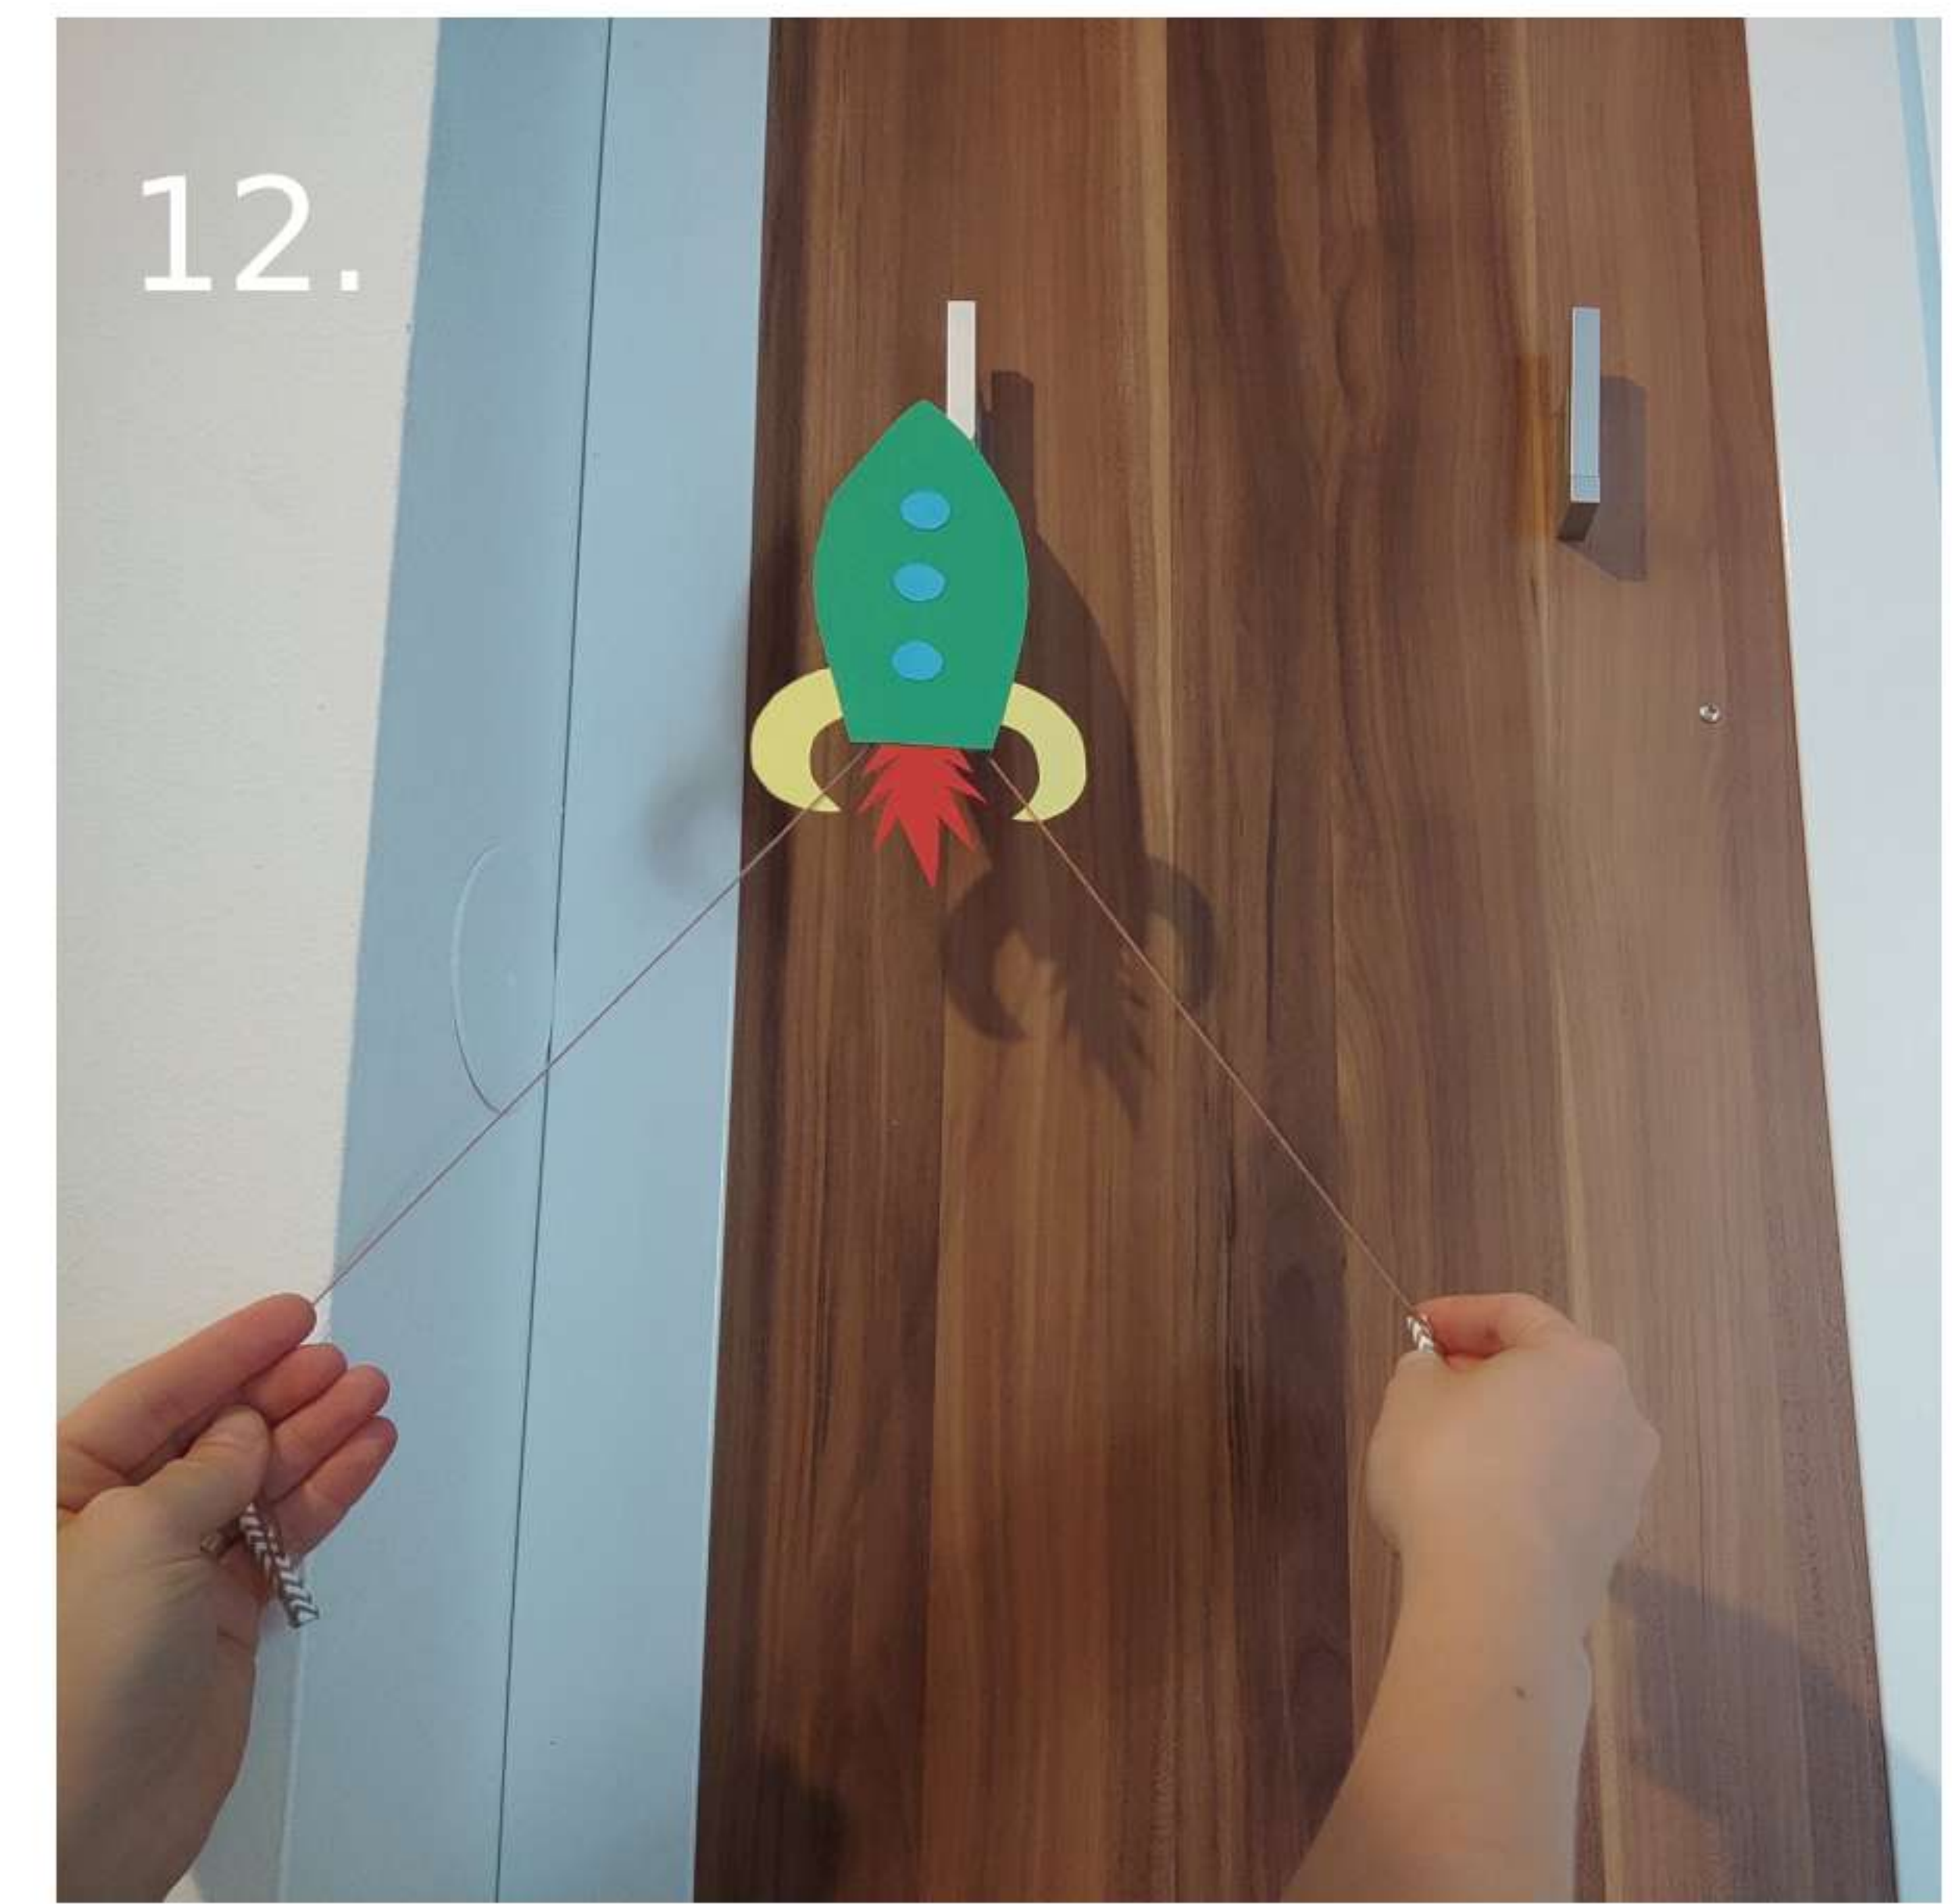

Odstrihneme ďalšie 2 kúsky slamky
a priviažeme ku koncom šnúrký

Raketa ja hotová

Raketu zavesíme, chytíme konce
šnúrký...

...potiahneme do strán a raketa letí
:)
